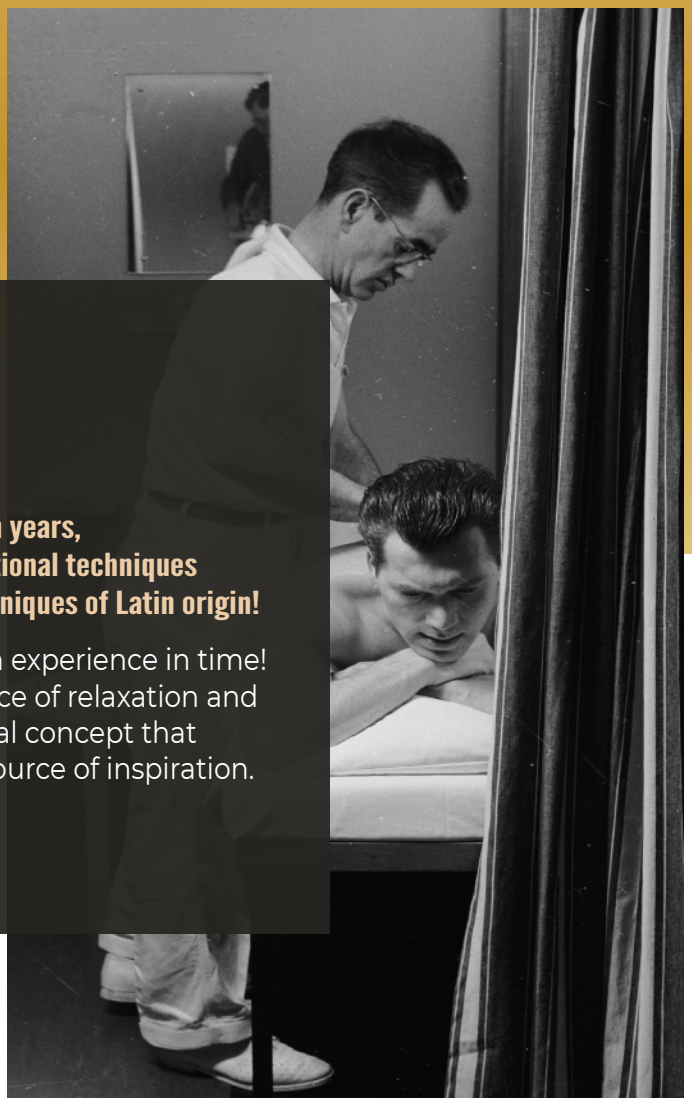
Welcome & Introduction

Massage that will transport you to a moment of total relaxation



1920 CLUB ST, is a space inspired by the 20th years, our massages are a combination of the traditional techniques of the East and Europe with avant-garde techniques of Latin origin!

More than a massage service we offer an experience in time! Our goal is to offer an excellent experience of relaxation and well-being, while our clients enjoy a visual concept that carries! Art, culture and history are our source of inspiration.

WHAT WE DO ?

We are a working team in development made up of four main areas, massage therapy, administration, marketing, design. We provide an exclusive relaxation massage service. Through the different massage techniques we want to take our clients away from the days of stress and work, that the spa is a space to alleviate all those loads of the day to day, in a time of rest. Our goal is to provide not only a massage service but to create a sensory experience that allows our clients through the best relaxation techniques.

Massage therapy

Trained staff to provide the best service.

Marketing

Clarity and accessibility in our campaigns.

Design

Design of space, experience and service.

Administration

Administration with clear objectives.

services

Latin Soft tissue 1920

This massage is performed with little pressure because it stimulates the release oflight fluids. This massage is ideal for people with elevated stress levels.

Latin deep tissue 1920

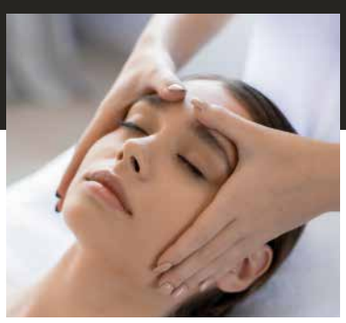
This relaxation massage is ideal for people who spend a lot of time in the sameposition, such as office workers, The pressure used is medium to strong, dependingon the muscle condition of each person.

Latin draining contour massage

In this type of massage, we use different pressures and make movements to shapethe contour of the body.this massage promotes the elimination of toxins and improves body appearance!

Massage of legs and feet

By means of the stimulation of specific points on the soles of the feet we obtain arelaxing effect, we stimulate the circulatory system and a better appearance isobtained in the skin of the feet.We use specific products to beautify the skin of that area.



Facial contour massage

Like the body, the face stores liquids that change its form, facial massagecounteracts the effects of time, draining unwanted fluids and stimulating youth skin.

Sport Massage

We use deep tissue techniques and pressures on acupressure points.

Special services

latin couples massage

A couples massage Enjoy with your partners, families and friends a relaxation experience in the style of1920 CLUB ST can be a great way to enhance the mental and physical benefits of the massage experience.

Latin Winter Massage

Remove the aftermath of the cold from your body. We combine different techniques of evacuation and muscle relaxation, depending onthe state of each personThis massage is combined with oils, stones or hot tools, in order to facilitate thedetox and relaxation processIn the same way our WINTER TE is a vitamin C cocktail that stimulates from withinthe evacuation of fluids.

Prices and payment

Payment methods are paypal, debit and credit card, gift vouchers.

Always thinking about comfort and ease for the customer to make the payment

the client will always know the price of the massage before performing the treatment.
